

E UNION ST PROTECTED BIKE LANE

FACT SHEET **SPRING 2019**

PROJECT DESCRIPTION

Seattle has a Bicycle Master Plan (BMP) which provides a framework for improving the bicycling environment throughout the city. The BMP recommends E Union St for a protected bicycle lane (PBL). SDOT evaluated multiple east/west bicycle routes, and the Union St PBL was the community's preferred bicycle improvement.

PROJECT ELEMENTS

- Upgrade the existing bike lane into a parking protected bike lane (PBL) from 14th Ave to 22nd Ave and 24th Ave to 26th Ave.
- Add an uphill PBL and a downhill sharrow lane from 26th Ave to Martin Luther King Jr Way.

BENEFITS

- Improve travel experience for people biking, walking and driving, including freight and bus operators
- Reduce collisions to help us achieve our Vision Zero goal

SCHEDULE* AND FUNDING

- **Mid 2019:** Outreach to community stakeholders and adjacent business and property owners
- **Mid - Late 2019:** Finalize design
- **Early – Mid 2020:** Construction

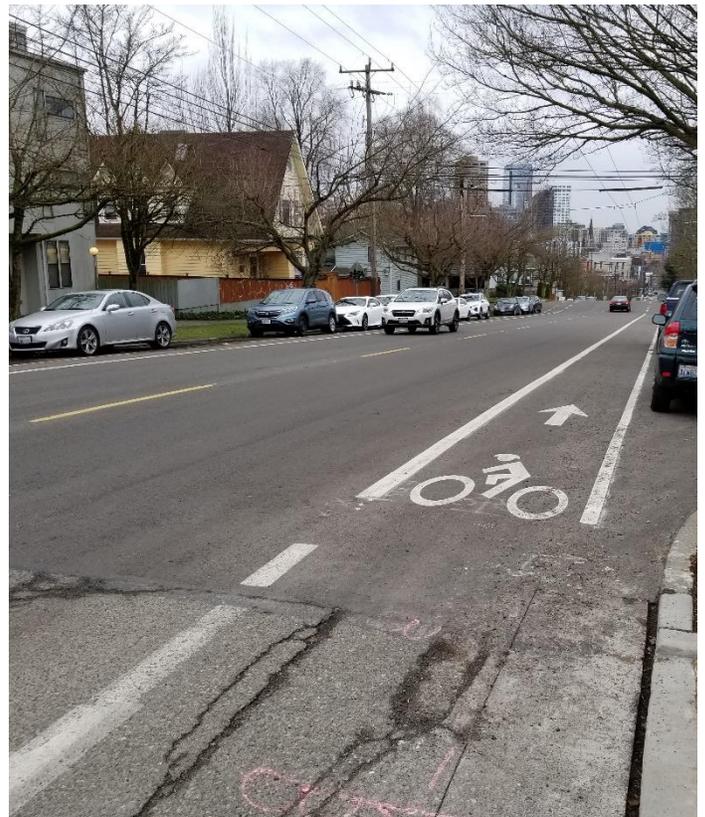

**Subject to change*

This project is funded by the voter-approved Move Seattle Levy.

WHAT YOU NEED TO KNOW

- This project will minimize impacts to parking spaces on E Union St.
- King County Metro will consolidate a few bus stops on E Union St to help keep buses moving and on-time.
- The stop consolidation plus the relocation of a school bus zone will increase parking along E Union St.

Existing bicycle lane on Union St looking west near 17th Ave
